THE THERAPY CONNECTION
ENHANCING FUNCTION OF ADULTS & KIDS

Summer Therapy C.A.M.P.

Mission

Our program is designed to provide summer therapy and social skills programs for special needs children three days a week. This program is for children diagnosed with Autism, Pervasive Developmental Delay, Asperger's, Attention Deficit Disorder and Attention Deficit Hyperactivity Disorder and other special needs. The mission of this program is to enhance the overall functional development of children through speech therapy, occupational therapy, and social skill advancement. The therapeutic focus of our services is to improve speech and language skills, sensory integration skills, advance individualized hand writing skills, improve fine motor skills, social skills, peer interactions, and play skills. Children will be placed with a camp leader and grouped with peers their age. Occupational therapy and speech therapy services will be provided with each child every week.
